L.A.W. is a non-profit, non-political organization composed of victims of Maine's Legal Profession - who, from their own experiences, are determined to warn their fellow citizens of the criminal conspiracy within Maine's Legal System which is subverting the Constitution and all aspects of your life. This publication is a first and will continue monthly, to expose and name the officials, lawyers and judges, describing their criminal activities and abuse of power against the Constitution and you, the tax-paying citizen.

## "Conspiracy"

JOE MUST GO !!

March 12, 1982 - Assistant Attorney General, James Brannigan, Head of the A.G.'s Criminal Division, speaking before a group of citizens within Augusta, Maine - defined 'Organized Crime' - "when two or more people plan and carry out a criminal act....this is a criminal conspiracy and can be defined as Organized Crime..."

James Brannigan knows well the meaning, for he is a member of the "Legal System", which criminally conspires against the citizenry of Maine for purposes of un-Constitutional Political Power.

The Law has come to be an instrument of injustice. The Law Perverted!! And the police powers of the State perverted along with it!! The Law not only turned from its proper purpose but has been made to follow an entirely contrary purpose! The Law became the weapon of every kind of greed! Instead of checking crime, the Law itself is guilty of the evils it is supposed to punish.

If this is true, it is a serious fact, and Moral Duty requires me to call the attention of my Fellow Citizen to it.
