Re: 2nd Request for Administrative Hearing

Dear Mr. Karass,

The Department of Administrative and Financial Services, through the Office of the State Controller, has authority to maintain an official system of general accounts embracing all the financial transactions of the State Government; to examine the accounts of every department or agency receiving appropriations from the State; to report to the Attorney General for such action, civil or criminal, as he may deem necessary, all facts showing illegality in the expenditure of public moneys. The State Controller may engage in investigations to monitor and ensure adherence to contracts and to ensure proper financial controls and shall set up and maintain special accounts with respect to money received for designated purposes from the Federal Government, pursuant to Title 5, Administrative Procedures and Services §1541. The words, "the State Government," as used in this section shall include the Judiciary and the Executive Departments.

The functions of your office include review, approval and consolidating all accounting transactions for all agencies within the Executive, Legislative and Judicial branches of government; review of misuse of assets and risk of non-compliance with applicable laws and regulations. Your division also pursues issues of potential financial impropriety and associated internal control implications.

I am requesting an Administrative Hearing to lay claims of due process violations, violations of rights and non-compliance of state and federal law by those who hold public office in this State. State agencies, including the courts, receive Federal funding and the misuse of Federal tax dollars can result in the loss of such funding. I will present my documented evidence and will bring your office up to date of all unlawful actions taken by various state entities.

This unlawful activity has occurred for years and it continues today. I would hope to resolve this matter at the state level.

Please provide me with a date, time and place where an Administrative Hearing may take place. I appreciate your immediate assistance in this matter.

Thank you.

Sincerely,

Dorothy Lafortune
